

Changduk Yang

Associate Professor
Interdisciplinary School of Green Energy
Ulsan National Institute of Science and Technology (UNIST)

Tel: +82-52-217-2920
Fax: +82-52-217-2909
E-mail: yang@unist.ac.kr

Education

- 2006: Ph.D., Max-Planck Institute for Polymer Research
(Germany, Advisor: Prof. Dr. Klaus Mullen).
- 2001: M.S., Chungnam National University (Korea, Advisor: Taek Seung Lee).
- 1999: B.S., Chungnam National University (Korea).

Experience

- 2013-present: Associate Professor, Interdisciplinary School of Green Energy.
- 2009-2012: Assistant Professor, Interdisciplinary School of Green Energy,
Ulsan National Institute of Science and Technology (Korea).
- 2006-2009: Postdoctoral, University of California Santa Barbara
(U.S.A, Advisor: Prof. Fred Wudl).
- 2000-2002: Researcher, Analytical Research Team, R&D Center, Hyosung Corporation.
- 1999-2000: Teaching Assistant, Chungnam National University (Korea).

Honors and Awards

2003-2005: Scholarship/Award: Receive Fellowship from Korea Science and Engineering Foundation (KOSEF) for the Graduate study abroad scholarship.

Board and Membership

Member of the Polymer Society of Korea (since 2001).
