

GHD Monthly Newsletter

October 2020

The Global Help Desk (GHD) presents this monthly newsletter to introduce ourselves and let you know some recent domestic news, event information, and recent IBS news. All information presented in the newsletter is available online, and to read the full contents you'll need to be connected to the internet. We hope this information is useful to you. Also, visit the website Living in Korea at www.ibs.re.kr/livinginkorea. Hosted by IBS, it has hundreds of pages of contents and photos to help you thrive, not simply survive.

Living in Korea Highlight

In order to do online banking or settle taxes at the beginning of the year, you'll need a digital certificate. If you have been confused by the system, now might be a good time to learn it. There is an [introduction on what this system is](#), [how to issue one](#), and [how to register one issued from another bank](#).

Domestic News

Korean-made AI curling robot beats skilled human team

An artificial intelligence (AI) robot developed by Korean researchers has won three out of four games against a human curling team.
